

Please don't take K-LOVE away from us. I am a stay-at-home mom who has decided to homeschool. K-LOVE is an important part of my life. Our whole family listens on a regular basis, it doesn't matter if we are at home or in the car. I feel that K-LOVE is a safe station that my children can listen to with and without my constant supervision. It is clean and wholesome. The hosts are not of questionable character. The music that is played is of a lifegiving nature. I believe that K-LOVE is a great benefit to my community.

Today when I tuned into 106.7 the fish I found that it is no longer an English radio station. This change happened overnight without warning. Please DO NOT take away K-LOVE 94.3 as well. I am an American, I speak English. I want to listen to my choice of good Christian music in English. I don't want to listen to vulgar and rude hosts on secular radio stations that promote violence, drugs, alcohol, premarital sex, homosexuality etc.

I don't want to listen to today's secular/popular artists. There are plenty of rock, pop, country, oldies and rap stations already. I want to listen to Christ honoring music and hosts.

In the Chicagoland area it appears that we(Christians)are loosing the limited choice that we had in music. There are no other radio options for my family and friends. I will not by choice allow my children (during the formative years)to grow up listening to music that is in direct conflict to our moral beliefs.
